MOSAIQUE is a sophisticated, stylish vessel which, thanks to her thoughtful design and professional crew, simultaneously retains a sense of intimacy and ease throughout her spacious sundecks and aft decks, her opulent interiors and her luxurious suites. A classic ambience, echoing the inviting feel of a large country house, sets the perfect tone for relaxation in the luxurious settings of MOSAIQUE's ample main deck saloon, linked to an elegant games room, which in turn leads through sliding glass doors to the formal dining room for 12.
