SOPHIA is one of the most distinctive superyachts available for charter — a 96.6-metre vessel refitted in 2022 to an exceptional standard. Accommodating 12 guests in 7 cabins, including a magnificent full-beam owner's suite with fireplace and a private deck, SOPHIA delivers a charter experience defined by extraordinary detail. Her signature feature is a 9x3.6-metre glass-bottom swimming pool on the main deck, beneath which lies a vast beach club that glows with refracted turquoise light. The foredeck converts into a full-size tennis and basketball court. The sun deck carries a jacuzzi, al fresco dining, an outdoor cinema screen, and a sit-up bar. A custom Wajer 55
